WOOD COUNTY BOARD OF EDUCATION

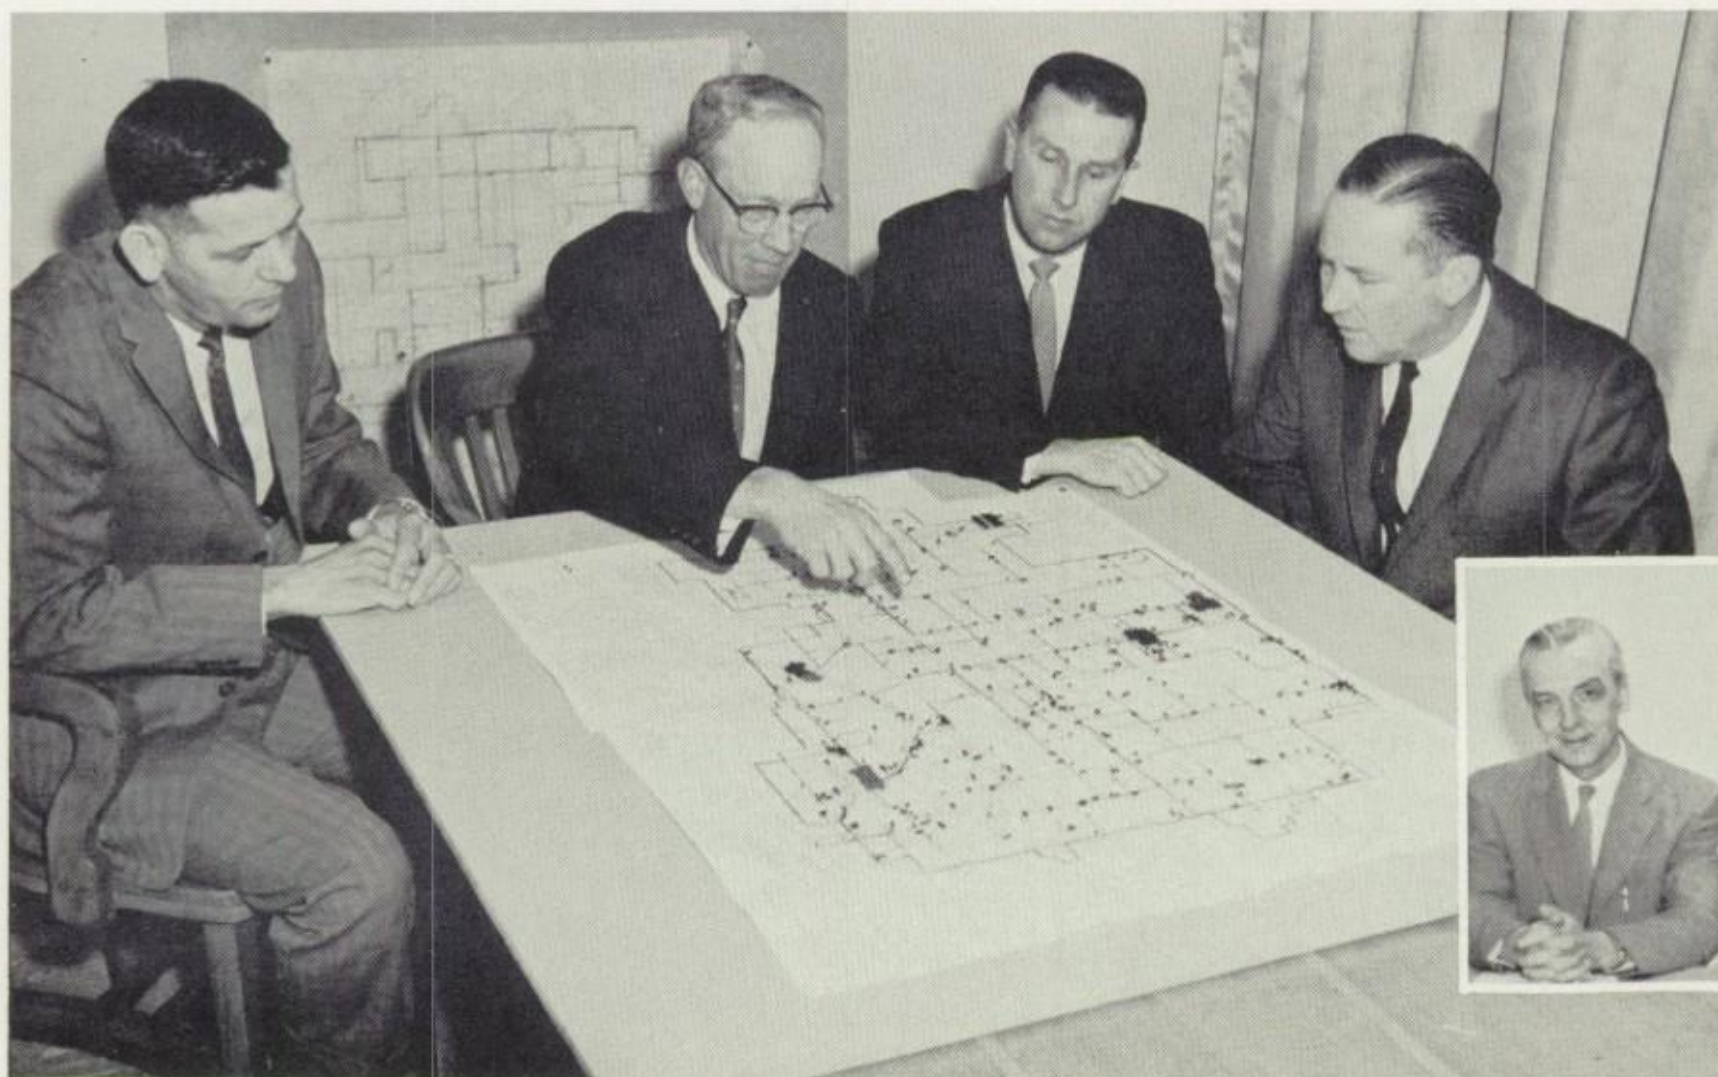

FIRST ROW: W. C. Schroeder, Pres.; John Kurfess, Vice-Pres.; Supt. Elmer P. Marks, Clerk; Melvin Fleckner, Carl Good.

The members of the Wood County Board of Education function as a group to provide many services to the individual local school districts that would not otherwise be economically feasible.

The Board employs Mr. Marks, our County Superintendent, Mr. Henline, our County Attendance Officer, and all teachers of the county schools. They also appoint numerous other personnel such as, High School and elementary supervisors, a school psychologist, and a Speech-Hearing Therapist.

County-wide adaptation of text books, graded courses of study, film libraries, and the physical examination of all school bus drivers, make the County Board important in providing the best for each pupil in our schools.
